Town of Jackson, New Hampshire

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Jackson in the County of Carroll in said state, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Jackson on Tuesday, the 12th of March, next, at seven of the clock in the evening, to act on the following subjects:

1. To choose all the necessary Town Officers for the coming year ensuing. Polls open at 10:00 A.M. and close at 6:00 P.M..

1 Selectman for	3 years
1 Trustee of Trust Funds for	3 years
1 Trustee of Cemeteries for	3 years
1 Library Trustee for	3 years
1 Auditor for	1 year

2. To see if the town will vote to adopt the Optional Elderly Adjusted Exemption from property tax as prescribed under RSA 72:43-h as follows: for a person 65 years of age up to 75 years \$5,000; for a person 75 years of age up to 80 years, \$10,000; for a person 80 years of age or older \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets not in excess of \$30,000.

NOTICE: Articles 1 and 2 will be voted on by written ballot. Polls will be open from 10:00 a.m. to 6:00 p.m. for voting on these Articles.

3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

4. Town Officers' Salaries	\$ 16,900.00
5. Town Officers' Expenses	52,350.00
6. Maintenance of Highways	150,000.00
7. Maintenance of Sidewalks	1,000.00
8. Street Signs	300.00
9. Police Department	69,450.00
10. Fire Department	39,000.00
11. Emergency Communications	2,500.00
12. Ambulance Service	1,200.00

Town of Jackson, New Hampshire

13. Solid Waste Disposal	100,000.00
14. Maintenance of Town Property-Buildings	8,000.00
15. Maintenance of Town Park	3,600.00
16. Maintenance of Cemeteries	4,500.00
17. Street Lighting	6,500.00
18. Insurance, Including Blue Cross/Blue Shield	80,000.00
19. Social Security and N. H. Retirement System	21,500.00
20. Town Library	6,600.00
21. Planning Board	4,000.00
22. North Country Council, Inc.	1,340.75
23. Conservation Commission	700.00
24. Legal Expenses and Damages	4,000.00
25. Civil Defense	100.00
26. Welfare	4,000.00
27. To see if the Town will vote to raise and appropriate the sum of <u>\$500.00</u> for support of the Eastern Slope Airport Authority. Agreeable to a petition signed by James R. Dunwell, et al.	
28. To see if the Town will vote to raise and appropriate the sum of <u>\$200.00</u> to help defray the expenses of the service carried out by the Mount Washington Valley Chapter of the American Red Cross. Agreeable to a petition signed by Helen E. Whitney, et al.	
29. To see if the Town will vote to raise and appropriate the sum of <u>\$922.00</u> for the Visiting Nurse Services of Northern Carroll County, Inc., said sum being equal to \$1.35 per person in the Town of Jackson. This represents a 25% reduction in last year's per capita request. Based on the 1989 figures from the office of State Planning, the current census in Jackson is 683. Agreeable to a petition signed by Helen E. Whitney, et al.	
30. To see if the Town will vote to raise and appropriate the sum of <u>\$800.00</u> for the support of the Children & Youth Project of Mt. Washington Valley. Agreeable to a petition signed by Alice N. McLane et al.	
31. To see if the Town will vote to raise and appropriate the sum of <u>\$1,837.00</u> for the support of the Gibson Center for Senior Services. Agreeable to a petition signed by Judith H. Johnson, et al.	

Town of Jackson, New Hampshire

32. To see if the Town will vote to raise and appropriate the sum of \$1,002.00 to assist the Carroll County Mental Health Service. Agreeable to a petition signed by N. William White, et al.
33. To see if the Town will vote to raise and appropriate the sum of \$350.00 for the support of the Community Action Outreach Program. Also to see if the Town will vote to raise and appropriate the sum of \$200.00 for the support of the BIG BROTHER BIG SISTER ORGANIZATION administered also by the Tri-County Community Action Program. Agreeable to a petition signed by Judith H. Johnson, et al.
34. To see if the Town will vote to raise and appropriate the sum of \$920.00 to assist the Family Health Centre (Family Planning, Pre-Natal and Primary Care Programs). Agreeable to a petition signed by N. William White, et al.
35. To see if the Town will vote to raise and appropriate the sum of \$341.50 for the Early Intervention Program (birth to 3 years) of Children Unlimited, Inc., said sum being equal to \$.50 per person in the Town of Jackson. Agreeable to a petition signed by Kimberly K. Perley, et al.
36. To see if the Town will vote to raise and appropriate the sum of \$220.00 in support of Carroll County Against Domestic Violence and Rape's shelter for battered women and children. Agreeable to a petition signed by Lawson Bruce Hill, et al.
37. To see if the Town will vote to enter into an agreement with Life Line Ambulance Services within the Town of Jackson, consolidating the resources of the Barlett-Jackson Ambulance Service of Glen, New Hampshire with those of Life Line Ambulance Service Inc. of Glen, New Hampshire pursuant with RSA Ch. 53-A. The purpose is to significantly reduce the operational expenses to the town and increase the available services. Agreeable to a petition signed by Kevin R. O'Connell, et al.
38. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the State Aid Reconstruction Program; the State of New Hampshire to appropriate \$4,000.00 on July 1, 1989.
39. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to repair and resurface Town roads.
40. To see if the Town will vote to raise and appropriate the sum of \$3,500 for hydrant services to be provided by the Jackson Water Precinct.
41. To see if the Town will vote to raise and appropriate the sum of \$35,000 as Jackson's share of capital costs for a Tractor and Recycling Equipment and to authorize the withdrawal of \$35,000 plus accrued interest from the Capital Reserve Fund for the Construction of a Solid Waste Disposal Facility.

Town of Jackson, New Hampshire

42. To see if the Town will vote to raise and appropriate the sum of \$7,000 for the Capital Reserve Fund for a New Police Cruiser.
43. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the Capital Reserve Fund for Town Administrative Office.
44. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the Capital Reserve Fund for Fire Department Equipment.
45. To see if the town will vote to authorize the Selectmen to execute a deed to Saco Valley, Incorporated transferring a small parcel of land at the transfer station site and a right of way to same in exchange for establishing an agreed upon boundary line and certain gravel rights to the Towns of Bartlett and Jackson.
46. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept, and expend, without further action by the Town Meeting, money from the state, federal or other governmental unit or a private source which comes available during the fiscal year, in accordance with R.S.A. 31:95b.
47. To see if the Town will vote to authorize the Selectmen to dispose of a lien or tax deeded property in accordance with R.S.A. 80:42 and as Justice may require.
48. To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.
49. To act upon other business that may legally come before this meeting.

Given under our hands and seals this 18th day of February in the year of our Lord nineteen hundred and ninety one.

Selectmen of the Town of
Jackson, New Hampshire

Town of Jackson, New Hampshire

NOTES

Town of Jackson, New Hampshire

SELECTMEN'S REPORT

This year municipalities all across the State, and Jackson is no exception, took notice of the ailing economy. With that in mind the Jackson Board of Selectmen with the help of the department heads made sure that spending taxpayers' dollars was carefully scrutinized. Some tough decisions have been made, but the Board of Selectmen wants to assure the townspeople that their interests are what drove us. Once again it's important to say that good planning over previous years has made the Selectmen's jobs all the easier.

In the past year the Bartlett-Jackson transfer site got under way. We feel this is the right move for the future. We now have the necessary space to begin recycling. At the outset, our recycling program will be voluntary. Products such as glass, plastics, aluminum cans, newspapers and possibly cardboard will be segregated from the waste stream. Mandatory recycling could possibly begin as early as this summer.

The total cost of the transfer site was just under \$270,000. Before agreeing to move to the new site, the Town of Bartlett agreed to reimburse Jackson for the entire capital outlay of our Carter Notch site, which was roughly \$90,000. This figure was deducted from the total cost of the new transfer site, and then the balance was split fifty/fifty.

The Selectmen decided not to purchase a new 4x4 highway truck, which means we will be keeping our present fleet of trucks five years instead of four. If winter ever returns to Jackson increasing wear and tear on our equipment, we will have to take a second look at this plan.

The roads in Jackson have improved greatly in the past ten years, one reason is our pugmill program for which we are asking another \$20,000. Another reason our roads are well maintained is that we have willing and very qualified workers to do the job. Their performance during the winter months is unsurpassed.

Dr. Alexander Burgess, our Health Officer, will be leaving Jackson. Although we seem to have fewer problems than some towns regarding sanitation, Dr. Burgess was very valuable and will be missed.

Another public servant, Ted Brown, our Building Inspector, will be taking a less active role. His service has also been invaluable.

Our Administrative Assistant, Ellie Lang, has kept us on our toes for another year. She keeps things running smoothly, making the Selectmen's tasks all the easier. Eleanor deserves a lot of credit for how well the Town of Jackson is managed. Special thanks also to Dee McClave for her assistance in the office during a year of reappraisal which generated a much larger workload and to Peggy Kramp for volunteering to keep the transfers of property updated. The Selectmen want to again express our sincere appreciation to all of those serving on the various boards and commissions for their dedicated efforts on behalf of the Town of Jackson.

Respectfully submitted,

Peter E. Kelly, Chairman
Board of Selectmen

Town of Jackson, New Hampshire

RESULTS OF THE JACKSON TOWN MEETING HELD ON MARCH 13, 1990

Polls and Town Meeting opened by the Moderator at 9:04 AM. Motion was made and seconded to dispense with the reading of the Warrant and Zoning Amendments. Moderator explained procedure for voting during Town Meeting.

Selectman Kelly discussed many of the contributions retiring Selectman Ross Heald and his wife have made to the Town during more than 12 years as Selectman. A standing ovation was given to Ross Heald.

The Moderator announced that Police Chief Moulton had requested that the Moderator move to Article 45. It was moved and seconded.

Article 45. Passed by voice vote to raise and appropriate \$10,000.00 for a temporary Police Dept. Office.

Ross Heald discussed the reappraisal, tax base, and answered questions about Blue Cross/Blue Shield Insurance.

BARTLETT-JACKSON TRANSFER STATION
RULES AND REGULATIONS

Dump stickers are mandatory. They can be obtained at the Selectmen's Office in the Jackson Falls Center. The joint transfer site is located off Route 16 just north of the Jackson/Bartlett town line.

HOURS OF OPERATION: FRIDAYS thru TUESDAYS 12:00 NOON - 6:00 P.M.

CLOSED: WEDNESDAYS AND THURSDAYS

CLOSED: CHRISTMAS DAY

Articles which are accepted other than household refuse: (Designated areas)

Tires - \$2.00 per tire fee

Mattresses - 2 per household free than \$5.00 fee per mattress

Batteries

Furniture

Appliances with condensers and compressors removed

Metal/Wire - not over 5' lengths

Brush up to 5" diameter - Burn pit

Clean scrap wood - Burn pit (Painted or treated wood must be separated out)

Christmas trees - Burn pit

Construction materials - For small household additions and alterations, please contact the Selectmen's Office to make arrangements for disposal of these materials.

PROHIBITED - No commercial dumping of construction debris.

No dumping of hazardous materials/waste, gasoline tanks, barrels, asbestos products, motor vehicles/boats or parts thereof, gasoline, paints, liquid asphalt or pesticides.

No metal/tires/wood in compactor

Recycling

All items brought for recycling must come in clean and ready to be put into separate bins. The following items may be recycled on a voluntary basis until later this year.

Aluminum cans

Newspapers

Amber glass

Clear glass

Green glass.

The separation of these items may become mandatory later (date to be announced). Voluntary recycling is strongly recommended in the meantime to reduce the volume of trash to be hauled to Bethlehem.

LIBRARY TRUSTEES' REPORT

Jackson Public Library was a busy and productive place in 1990. The number of visits by patrons has increased and book circulation figures are up as well. The Librarian, Mrs. Priscilla Bissell, borrowed sixty-nine books from Inter-Library Loan in answer to special requests from our patrons.

The children of Jackson Grammar School continue their regular visits to the Library and seem to enjoy the opportunity. The Bartlett-Jackson Pre-School children also visit occasionally. It is hoped that these visits will help the children develop a familiarity with the Library and a love of reading through this early involvement.

The Friends of the Library, under the direction of Mrs. Peggy Connolly, Chairman, and Mrs. Mary Ann Limerick, Treasurer, held a successful membership drive this year and contributed a large sum to the Library budget. Many kind and generous people contributed gifts to the Library in the form of funds, books and periodicals.

The Librarian traveled to several educational meetings at the State Library office in Twin Mountain, and the Trustees also traveled to an informational meeting in Twin Mountain.

The Library Trustees will request the same appropriation from the Town this year as the previous three years. However, fuel costs have risen and, therefore, it is necessary that the budgeted amount for book purchases be reduced by \$200.00. We regret this austerity; however, it is necessary due to the economics of the times.

Respectfully submitted,

Pamela D. Abbott, Chairman
Marcia L. Hill, Secretary
Paul Loeser, Jr., Treasurer

Town of Jackson, New Hampshire

JACKSON CEMETERY TRUSTEES

Town of Jackson, New Hampshire

REPORT OF TRUSTEES OF CEMETERIES

Nearly 1,000 graves at the Village and Dundee Cemeteries have been beautifully maintained under Pat Donnelly's care, and Floribunda has done an excellent job with the gardens at the entrance to the Village Cemetery.

A new riding mower was purchased last year. Now we need to look into purchasing a better weed whacker than the one currently in use.

Laconia Monuments returned in the spring for the second half of the restoration project begun last year, cleaning many of the older stones using only water and high pressure hoses.

We wish to thank Wendell and Evelyn (Smith) Woodbury for their very generous donation in memory of the Family of Clifton Smith, Sr., to be used for the care and maintenance of both Jackson cemeteries.

Nine lots were assigned in 1990, two in Dundee and seven in the Village. Many sites are available at Dundee, a quiet, park-like setting many of our newer residents may not be aware of. We hope to erect a small sign there this year.

Respectfully submitted,

William H. Browne
Margaret M. Frost, Treasurer
Alicia M. Hawkes

JACKSON CONSERVATION COMMISSION

The Jackson Conservation Commission met monthly as prescribed by N. H. State Statute. As in previous years, the Commission also held additional meetings to conduct onsite field evaluations prior to making recommendations to New Hampshire Wetlands Board. We again met with members of the Wetlands Field Inspectors and N. H. Water Supply and Pollution Control Division.

Two new members joined the Commission replacing Lori Kinsey and Roger French. They are Bea Davis and Kevin O'Connell, both having supplied valuable input to the Commission's deliberations.

Commission members marked small trees and brush for removal on the Jackson Falls West Bank and removal was accomplished. It is hoped that users of the Falls area will stay on the natural paths in the area. A solution to the parking problem is being pursued; anyone with a viable suggestion is asked to contact any Commission member.

The Commission is planning to have the Iron Mountain Trail brushed out and the many blow downs removed. The trail has been measured by Jon Burroughs with this maintenance in mind. The Iron Mountain Trail is one of the more scenic trails in the village and quite popular with visitors. The recent wind storms resulted in numerous blow downs requiring removal. The trail work will be put out for bid this spring. The Commission will continue to maintain the other trails and vistas under its jurisdiction. We will occasionally call for volunteer labor.

The Commission continues to need your help in monitoring the Town's environment; clean water without pollution, aquifer protection, prevention of polluted run off, erosion are vital for the future of all of Jackson's citizens. Our environment must be protected from destruction. If you have any questions about our environment which falls under the Commission's jurisdiction, call or talk to any member of the Commission.

The Commission meets monthly on the second Thursday at the Jackson Public Library at 4:00 P.M.

Respectfully submitted,

David O. Moreton, Chairman - Term expires
1993

George Bordash - Term expires 1992

Beatrice Davis - Term expires 1992

Richard May - Term expires 1991

Kevin O'Connell - Term expires 1991

Town of Jackson, New Hampshire

ROAD AGENT'S REPORT

This past winter was fairly normal, 380 more yards of sand was purchased during the winter. With the 1989 International, things went fairly smooth. The 1985 International had one major breakdown.

During the summer 750 yards of pugmill mix was put out, ditches were cleaned, and roads were tarred on Thorn Hill, Tin Mine Road, Eagle Mountain Road, Jackson Highlands, North Hampshire Ridge and Dundee Road.

Eight different culverts were replaced around town. During the month of August we had some major flooding in twelve different locations. A lot of time was spent repairing these washouts, and the Town received \$12,018.00 from the Federal Government to repair the damage.

The Town purchased a new Dodge one-ton for \$25,000. It was decided to advertise and sell the used Chevrolet one-ton to the highest bidder, and we received \$6,984.00 for this used vehicle. Robert Tibbetts did the roadside mowing again this year. Howard Kelley mowed the Town park and other property owned by the Town.

There was a lot of time spent moving from our transfer site on Melocn Road to the new joint Bartlett-Jackson transfer site, working on buildings, and the road.

Respectfully submitted,

Arthur E. Fernald
Road Agent

1990 ANNUAL REPORT OF THE JACKSON FIRE DEPARTMENT

The Fire Department had a total of 39 runs last year including several outstanding events. In the last month of 1989 a tanker truck loaded with heating oil skidded off Route 16 north of the Village ending up on its side leaking fuel. This was the Department's first major hazardous materials incident, lasting over 12 hours, and was a real test of our Hazmat training program. As truck traffic through town increases, we can expect more calls of this nature. Maintaining a high level of preparedness to protect both the general public and the environment is vital. All costs of this incident were covered by the trucker's insurance. The town received a check for over \$8,100, representing more than 20% of the Department's annual budget.

The Wentworth Hall fire in early January proved the effectiveness of our mutual aid system. We would like to thank the Bartlett, Glen and North Conway Fire Departments, the Bartlett-Jackson Ambulance squad, the Jackson Community Church, the Lodge at Jackson Village and the many other citizens who assisted that night.

We received our new truck and placed it in service in early June, significantly increasing our firefighting capability with its 2,000 gallon water tank. All other equipment is in good working condition. Engine #1, a 1972 International, is our oldest piece of equipment and despite some engine problems should remain serviceable for several more years.

Our members have been undergoing hazardous materials training and CPR certification.

The Firefighters Association had another successful Labor Day Bar-b-que, using the profits to install a new gas furnace in the fire station. We appreciate the generosity of local businesses, residents and visitors donating prizes and baked goods and the support of the over 1,100 attendees to our annual fund raising event.

Finally, we would like to thank Chief Andy Grigel for his leadership and dedication to the Department over the past years. We also appreciated the continued assistance and support of the Town officials and Police Department.

The Fire Department is always in need of additional members. We appeal to anyone interested in joining to contact us.

Calls for Service: Total 39

Structure fires out of town	1	Automatic alarms	14

Respectfully submitted,

Francis X. Lyons, Chief
Jackson Fire Department

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

JACKSON POLICE DEPARTMENT

The Jackson Police Department moved to its new location on the former Gray's Inn property in our new building in May of this year. We feel that this building will fit the needs of the police department for years to come. Any of you who had been in the old office will realize how much we appreciate this new building.

The Jackson Police Department had an active year in 1990 with the following:

- 89 criminal cases
- 59 criminal cases cleared by court or other means
- 203 defective equipment tags issued
- 49 motor vehicle accidents
- 65 motor vehicle summonses issued
- 276 motor vehicle warnings issued
- 114 alarms answered (all were human error or false alarms).

The Jackson Police Department again would like to thank the community for all its help and support.

Respectfully submitted,

John E. Moulton
Chief of Police

BARTLETT-JACKSON AMBULANCE SERVICE

The new Med-Tec ambulance was put into service in April 1990. It is larger than the van and that enables us to carry all of our equipment on board. We expect it will provide many years of reliable service to the community.

Compared to previous years, the towns had fewer medical emergencies and auto accidents. The total number of calls for 1990 was 225 including false alarms and non-transport calls. Revenue from the ambulance calls is used to offset the cost of operation. We are fortunate that collections have been very good and our fees well below those of other services.

Currently all our full time members are EMTs trained in defibrillation. Two members are IV trained and others will be taking the I course in the Spring. We have several new members who bring with them a valuable variety of skills to serve the community more effectively.

We will be involved with the Vial of Life program starting in February 1991. Interested residents with health problems will be contacted by squad members who will assist in completing the medical history forms to be stored in the refrigerator. The forms are invaluable to the ambulance crew and the hospital in an emergency. Anyone interested in the program can contact the Town Offices or any Bartlett-Jackson Squad member.

Town of Jackson, New Hampshire

In addition, our CPR instructors will be running community classes throughout the year. Class schedules will be published in the local papers or contact us for special request.

Our thanks to the residents and town officials for their continued support. A special thank-you to the Police and Fire Departments for their valuable assistance and cooperation.

Respectfully submitted,

Susan Gaudette

JACKSON PLANNING BOARD
1990

Jackson voters approved a major recodification of the Jackson Zoning Ordinance at the 1990 Town Meeting. The new ordinance is better organized and easier to interpret. The recodification did not modify zoning regulations.

Few subdivisions were proposed in Jackson during 1990. This significantly reduced the workload of the Planning Board and allowed the Board more time to focus on local planning issues. Issues addressed were: ground water quality protection in the Village district, effectiveness of the lot size by soil type ordinance, Class VI town roads, construction monitoring, and updating the Subdivision Regulations.

The Planning Board thanks Dee McClave for secretarial services, and Dee McClave and Sarah Kimball for their extensive work reorganizing and updating the Planning Board files. The Board also thanks the North Country Council for technical assistance.

The Planning Board meets at the Town Hall the second Thursday of each month at 7:30 P.M. Residents interested in community planning issues are encouraged to attend these meetings.

Town of Jackson, New Hampshire

NORTH COUNTRY COUNCIL, INC.
ANNUAL REPORT

North Country Council is the non-profit regional planning commission serving 51 towns in northern New Hampshire. The Council's primary mission is to meet the planning and development needs of its member towns. Specific assistance presently available from the North Country Council includes municipal planning, economic development, community development, solid waste, transportation, water management, GIS mapping and resource management. When requested, the Council provides professional guidance and assistance to Boards of Selectmen, Planning Boards, Zoning Boards of Adjustment, Conservation Commissions and Solid Waste Districts in member communities.

Assistance provided to the Town of Jackson in 1990 included:

- * Providing the Planning Board with a Circuit-Rider Planner;
- * Hosting a meeting with the Mount Washington Valley to review the Regional Master Plan.

In 1990, the Council also provided a variety of services on a regional level. For example, workshops were held informing local officials of excavation site requirements, innovative zoning, shoreline protection, rivers management and cultural resources. The Council worked closely with economic development committees throughout the region. The Council's very active Transportation Committee focused on local and regional highway, air and rail issues. NCC's Solid Waste Coordinator continued to advocate regional solid waste management while working with five area solid waste districts.

In the ensuing year North Country Council's work program emphasizes community and economic development at the subregional and local level, while continuing the existing focus in solid waste and transportation. Under the leadership of our newly-hired Executive Director, Preston S. Gilbert, NCC is fully committed to providing timely service to its member towns.

JACKSON SCHOOL DISTRICT WARRANT

Election of Officers

To the inhabitants of the School District in the Town of Jackson, County of Carroll and State of New Hampshire, qualified to vote on District affairs;

You are hereby notified to meet at the Town Hall in said District on Tuesday, 12 March 1991, to elect the following School District Officers. The polls will be open for this purpose at 12:00 p.m. and will not close before 6:00 p.m.

ARTICLE 1. To elect a Moderator for the ensuing year.

ARTICLE 2. To elect a Clerk for the ensuing year.

ARTICLE 3. To elect a member of the School Board for the ensuing three years.

ARTICLE 4. To elect a Treasurer for the ensuing year.

ARTICLE 5. To elect an Auditor for the ensuing year.

Given under our hands, this 6th day of February, 1991.

Lee A. Adams, Chairman
Ann Bennett
Willis Kelley

Jackson School Board

JACKSON SCHOOL DISTRICT WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of Jackson, in the County of Carroll, State of New Hampshire, qualified to vote on District affairs:

You are hereby notified to meet at the Town Hall in said District on Wednesday, 13 March 1991, at 7:00 in the evening to act upon the following subjects:

ARTICLE 1. To see if the District will vote to authorize the Jackson School Board to apply for, accept and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any source during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b.

ARTICLE 2. To see if the District will vote to raise and appropriate the sum of \$15,000.00 to be placed in the Capital Reserve Fund (Busses), established for that purpose.

ARTICLE 3. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

ARTICLE 4. To transact any other business that may legally come before this meeting.

Given under our hands, this _____ day of February, 1991.

MINUTES OF THE JACKSON SCHOOL DISTRICT MEETING
March 13, 1990

The meeting was called to order by Moderator Raymond B. Abbott, Jr. at the Jackson Town Hall at 7:00 p.m.

The results of the voting at the Town Meeting for School District officers were:

Moderator, 1 year: Raymond H. Abbott, Jr.
Clerk, 1 year: Denise Perkins
School Board member, 3 years: Ann Bennett
Treasurer, 1 year: Julie Wheeler
Auditor, 1 year: Joan R. G. White

ARTICLE 1. To see if the District will vote to authorize the Jackson School Board to apply for, accept and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any source during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b. There was a motion from the floor, duly seconded, to approve Article 1. A vote was taken and the motion passed.

ARTICLE 2. To see if the District will vote to raise and appropriate the sum of \$1,728.98 to purchase a photo-copier; and authorize the withdrawal of \$1,728.98 plus all interest accumulated therein, from the Capital Reserve Fund (Instructional Equipment), to be applied to the purchase of the photo copier; thereby discontinuing this account, and to pay the same over to the School District Treasurer. There was a motion from the floor to approve Article 2 as written. The motion was duly seconded and carried.

ARTICLE 3. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District. The proposed budget was reviewed and voted on by function.

1100 - Regular Education: There was a motion from the floor, duly seconded, to approve Function 1100 in the amount of \$355,544. The motion was voted on and passed.

1200 - Special Education: It was moved and duly seconded to approve Function 1200 in the amount of \$30,000. The motion was voted on and carried.

1400 - Co-Curricular: There was a motion from the floor to approve Function 1400 in the amount of \$5,828. The motion was duly seconded, voted on and passed.

2120 - Guidance Service: It was moved and seconded to approve Function 2120 in the amount of \$1,924. The motion was voted on and carried.

2130 - Health Services: There was a motion from the floor to approve Function 2130 in the amount of \$3,768. This was duly seconded and passed.

2140 - Psychological Service - no action necessary.

2150 - Speech Services: There was a motion, duly seconded to approve Function 2150 in the amount of \$200.00. The motion was voted on and passed.

2210 - Improvement Instruction: There was a motion from the floor, duly seconded, to approve Function 2210 in the amount of \$980. The motion was voted on and carried.

2220 - Educational Media: It was moved to approve Function 2220 in the amount of \$595. The motion was duly seconded and carried.

2310 - School Board: It was moved and duly seconded to approve Function 2310 in the amount of \$7,825. The motion was voted on and passed.

2320 - Office of Superintendent: There was a motion from the floor to approve Function 2320 in the amount of \$31,864. The motion was duly seconded and passed. It was noted that this is a smaller amount than last year because some services are now being provided at the local level. The Jackson School Board has requested a breakdown of expenses from the SAU Office if the southern districts should be successful in their bid to form their own SAU.

2410 - Office of Principal: It was moved and duly seconded to approve Function 2410 in the amount of \$9,219. The motion was voted on and carried.

2540 - Op. & Maint. of Plant: There was a motion from the floor to approve Function 2540 in the amount of \$25,357. The motion was seconded and passed.

2550 - Pupil Transportation: It was moved and seconded to approve Function 2550 in the amount of \$53,764. The motion was voted on and carried.

2620 - Evaluation: There was a motion from the floor which was duly seconded to approve Function 2620 in the amount of \$150. The motion was voted on and passed.

2640 - Staff Services: It was moved to approve Function 2640 in the amount of \$150. The motion was duly seconded and carried.

2900 - Other Support Services: It was moved to approve Function 2900 in the amount of \$16. The motion was duly seconded and passed.

5100 - Debt Service: There was a motion from the floor, duly seconded, to approve Function 5100 in the amount of \$48,969. The motion passed unanimously.

5240 - Food Service: it was moved to approve Function 5240 in the amount of \$700. The motion was duly seconded and carried.

5250 - Capital Reserve: There was a motion to approve Function 5250 in the amount of \$15,000. The motion was duly seconded and passed.

There was a motion from the floor to approve the GRAND TOTAL of \$591,853. This was duly seconded and passed unanimously. Mr. Kelley thanked the community members for their support and noted that this budget, without the bond issue, represented a 4.3% decrease over last year.

ARTICLE 4. To transact any other business that may legally come before this meeting. There being no further business the meeting was adjourned at 7:55.

Respectfully submitted,

Layne Latham, Recording Secretary

Superintendent's Report
Dr. William A. Jutras
1990

This year's theme is "Quality Education through a United Effort." In the communities of School Administrative Unit #9, there is a historical record which documents support for education, even in times when it has been difficult to pay taxes. The most recent evidence is the passage of six construction bond issues within a two-year period for the construction, improvement, and expansion of eight physical facilities in which high quality of education is provided.

Now, in this most difficult economic period, our mettle is being put to the test. Do we continue to aim high and maintain the standards we set for ourselves, or do we acquiesce to the pressure being generated and fall back to a point from which recovery is impossible? I say aim high, defend and demonstrate appreciation for our excellent teachers, administrators, and support staff who are committed to quality education, and rise to a level of international awareness. World peace and competition in a global marketplace are at stake. At this time, our students are high achievers in Mathematics and Science, two areas which are among the nation's goals for the Year 2000. They are doing well in other critical academic areas, but even more must be expected.

Our school organization will be different next year. The districts of Madison, Freedom, and Tamworth will comprise School Administrative Unit #13. We wish them well and sincerely hope that in their infancy, the respective communities will witness a renewed vigor and sense of purpose to prepare youth for a challenging new world and century. Likewise, the seven districts in SAU #9 will reorganize to address even more challenges and opportunities.

One such opportunity lies in a grant submitted by the Conway School District to the United States Department of Education. If favorably received, \$2.5 million could be made available to all communities in the north country. Conway citizens, social agencies, and educators would coordinate human services in the first stage of the five-year project. This community would then serve as a model for others to emulate. Such an effort is a prime example of how people have exercised leadership, and have joined together in a common cause to meet social and educational concerns head-on.

Let us all follow this example, feel and act in a positive manner about the future, and support "Quality Education through a United Effort."

ASSISTANT SUPERINTENDENT'S REPORT

RICHARD B. MEZQUITA

The 1990-1991 school year has, to say the least, seen a remarkable change in our building structure, the status of the economy, and global involvement.

Construction to the building went well with a minimum of disruptions, and occupancy occurred as expected. The students and faculty have adjusted nicely to this new learning area, and we invite you to stop and visit with us.

Despite the downturn in our economy and our involvement in the Gulf War, our school board, administrators, teachers, and students have continued to maintain standards and high expectations in their efforts. Our school is an exciting arena where teachers and students interact on many intellectual and social issues. This interaction is vital to the healthy development of your children and the acquisition of skills that enable them to think and act on a higher order.

Your continued support of a strong educational program will insure the successful development of your children, in order that they may compete in today's rapidly changing environment. Educational institutions are going high tech, society demands greater skills from our students and expects our schools to be the focal point for addressing social disorders.

Your school is accountable for its product - the students - and their ability to possess the skills to function well in a literate society. You can be proud of your educational system, and we urge you to stay involved with your school as your children grow.

PRINCIPAL'S REPORT

by David Poon

The Jackson Grammar School continues to be an example of educational excellence. Many wonderful things are happening within our newly expanded home. Some aspects of life within the school are ones that have proven to be time-tested practices that foster high academic achievement (i.e. individualization of instruction, whole language) whereas others are new (our newly developed enrichment program). Nevertheless, we invite each of you to visit your school to see the quality that is present. Although the new school is nice, it is only as good as the people here who work very hard at making a high degree of student achievement and success a reality.

We have been getting organized and adjusted to our new surroundings and greatly appreciate the new space that we have to educate the children. Again, thanks to the members of the Jackson community who made this possible.

We celebrate our school's dedication on October 12th with a historical perspective as individuals from several generations helped to share their recollections about life within the school in the past as well as in the present.

Students who were veterans of the grammar school were offered an opportunity to explore the new school as well on Christmas eve morning thanks to hosts Sarah Maynard and Jane Abbott as visiting relatives toured the new building.

This year we have developed an enrichment model for the school. This enrichment model is aimed at helping students explore a variety of areas of knowledge. To date, we have had students learn more about the following: geology, meteorology, Abenaki Indians, rescue procedures, creative dance, Tai Chi, fencing, and wreath making thanks to several volunteers from the community who came to the school to share their knowledge and expertise.

Many parents serve on the enrichment committee and again their efforts have greatly helped to establish a guest speakers' bureau network which is a key component of our enrichment program.

We have updated and revised our student handbook to include a new student behavior code. Certainly, students must also learn about the importance of social skills as well as the 3 R's. The establishment of that code will help to achieve this goal. We have also enlarged the handbook in order to make it easier for people to read.

In addition, we have been working at efforts to coordinate the curricula between Jackson, Bartlett and Kennett High School to ensure a logical, smooth and successful transition for students as they matriculate between all three of those schools.

We have also been examining the current SAU #9 math curriculum to see if it complies with the new standards for mathematics as delineated by the National Council of Teachers of Mathematics, Karen Narkis and I worked on this topic with some of the Bartlett teachers last summer and I will be acting as a facilitator in this process again this summer to continue this effort.

We have been fortunate to gain two great people for two key positions. First, Jane Abbott has been hired to be our school community coordinator. She has remarkable enthusiasm and a lot of energy! Besides acting within her formal role, she also serves as the chair of the enrichment committee as well as a volunteer who walks the first graders over to the town library.

Judy Collins has been hired as our school secretary. She has done an outstanding job and her positive attitude is contagious.

We have had the fine musical teaching services of Mark Jodice who worked with our students from September until the end of December. However, due to the demands on his time at Bartlett he has been recalled there full time as of January 2. Mark Mahoney has been hired to fill the role of music teacher for our students. He has done a good job picking up from where Mark left off and we are fortunate to have his talents as well.

Our soccer program has benefited from the assistance of Karen Narkis who helped coach Adams lead the Jets to the thrills of competition both on and off the field. We want to thank both of them for all their hard work.

Finally, the annual town Christmas program, our art show and our Spring play/musical are events which help to bring about that familiar type of atmosphere that still exist, and is alive and well within your school.

These traditions help cement the gap between the generations of learners and we again invite you to share in joining us in celebrating these traditions and perhaps to begin some new ones as well.

David Poon

School Administrative Unit Board
School Administrative Unit No. 9
Conway, New Hampshire

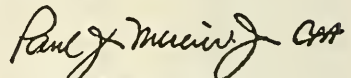

We have audited the accompanying general purpose financial statements of the School Administrative Unit No. 9 and the individual fund financial statements of the School Administrative Unit as of and for the year ended June 30, 1990, as listed in the table of contents. These financial statements are the responsibility of the School Administrative Unit's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the School Administrative Unit No. 9 at June 30, 1990, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School Administrative Unit at June 30, 1990, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.
